You get what you give
Hmm, if you give what you get.
Ooh, don't forget it.
Hot water,
Cold water.
You get what you take,
If you take what you get.
Whoa, we can make it.
Woah Think I'm gonna skip this shining rock,
Across the water,
Hot water.
Send it out and if it's love I wanna see it come straight
back,
Straight up the way it ought to.
Whoa, you say you feel like love is here,
Know it's a feelin' of love that you can hear.
You can leave right now,
You can love today.
Let me hear what you have to say.
You can get what you give
If you give what you get.
Ooh, don't forget it.
Hot water,
Cold water.
You get what you take,
If you take what you get.
Whoa, we can make it.
Think I'm gonna skip this shining rock across the water,
Hot water.
Send it out and if it's love I wanna see it come straight
back
Straight up the way it ought to.
Whoa, you say you feel like love is here,
Know it's a feelin' of love that you can hear.
You can leave right now,
You can love today.
Let me hear what you have to say.
Love,
Love is what I wanna say, hot water.
Love,
Love is where I wanna stay, hot water.
Love,

Love is what I wanna say, hot water.
Love,
Love is where I wanna stay, hot water.
Love, Love,
Love, Love,
Love, Love, Love
Love, is where I wanna stay, hot water.
