If only you believe like I believe, baby  
We'd get by  
If only you believe in miracles, baby  
So would I  
If only you believe like I believe, baby  
We'd get by  
If only you believe in miracles, baby  
So would I

I might have to move  
heaven and earth to prove  
it to you, baby  
So we're makin' love and you feel the power  
And I feel the power  
Then there's really nothing that we can't do  
If we wanted to, baby

We could exist on the stars  
It'd be so easy  
All we gotta do  
Is get a little faith in you  
Oh, I've been to so many places  
I've seen some things  
I know, love is the answer

Keeps holding this world together  
Ain't nothing better  
Ain't nothing better  
And all the answers to our prayers  
Hell, it's the same everywhere, baby  
Nothing ever breaks up the heart  
Only tears give you away

Then you're right where I found ya  
With my arms around ya  
Oh baby, baby, baby  
love is a magic word, yeah  
few ever find in a lifetime  
But from that very first look in your eyes  
I knew you and I had but one heart  
Only our bodies were apart

That was so easy, so easy  
I had a taste of the real world  
When I went down on you, girl

If only you believe like I believe, baby  
We'd get by  
If only you believe in miracles, baby  
So would I  
If only you believe like I believe, baby  
We'd get by  
If only you believe in miracles, baby  
So would I

I can hear windmills and rainbows  
Whenever you're talkin' to me  
I feel like swirling and dancin'  
Whenever you're walking with me  
You ripple like a river when I touch you  
When I pluck your body like a string  
When I start dancin' inside ya

Oh baby, you make me wanna sing  
Yeah, baby, baby, baby, baby  
Oh yeah, all right  
Baby, we're sure doin' it tonight  
Everytime you come by, let me try  
Pretty, please sugar on it  
That's how I like it  
I can't even believe it, with you  
It's like having every dream I ever wanted  
Come true  
I picked up your vibes  
You know it opened my eyes  
But I'm still dreamin' yeah  
And you're right where I found ya  
With my arms around ya.

Refrain (2x)
