"Back And Forth"

There's a special kind of person, sometimes she's not
all she seems

You only see what she wants you to see
And before you really know, it always seems to go

Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth

Take your chances if you will, those looks can kill
It'll make you go round and around
You got to know it by now that the truth is, you just can't
win

Love's funny like that, it'll make you blow your cap
Sacrifice everything and money
Love has no guarantee's and always will it be

Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth

Take stabs, dip and dab, forever tryin' to find your way
It's a sellers lament for all the love you spent
You must have thought it was a bottomless pit

You can't do it like that, love will show you where it's at
What you put up, you'll surely get back
'Cause there's no other way, if you play, you'll pay
Oh, love goes

Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth
Back and forth, back and forth

Love has no guarantee's and always will it be

Back and forth, back and forth

Back and forth, back and forth

Back and forth, back and forth

Back and forth, back and forth

Back and forth, back and forth
