CAMEO-O-O-O-OSIS CAMEO-O-O-O-OSIS

When you hear a group that moves you And you feel it in your feet You ask yourself, hold on a minute What group now can this be,

Get your body all excited
Cause if you listen you will know us,
It's got to be that crazy sound of that good ole
Cameosis

CAMEO-O-O-O-OSIS Hay hay CAMEO-O-O-O-OSIS

If when you feel it, then you'll know it It won't be long, you will all be strong with

Dig the sound, dig the sound Dig it with me...

You can't believe it, if you try, you will do it

CAMEO-O-O-O-OSIS CAMEO-O-O-O-OSIS

If you try us then you like us, if you like us, then you'll see, Ha

We'll make the funky music better for you and for me

Always right for what is happenin and for dancing with a choice

But if you even can't get that much then tell me what's the point

CAMEO-O-O-O-OSIS CAMEO-O-O-O-OSIS

If when you feel it, then you'll know it

It won't be long, you will, all be strong with

Dig the sound, dig the sound Dig it with me...

You can't believe it, if you try, you will do it
