INTRO:

If I can't be beautiful, I'd rather just die

VERSE 1:

So self-obsessed with my mascara and mistakes
Vanity's like a funeral and everyone is at my wake
Before I run out of air there's more make-up to apply
Doll eyes stare into vailium colored skies

CHORUS:

I've got a sweet tooth and strawberry youth
You wanna be my licorice and misguided truth
And right now I'll show you how
I'm a beauty killer

VERSE 2:

Rhinestone my eyes closed and please fix my hair
This concealer can hide all my pink nightmares
Before I run out of air there's more make-up to apply
Doll eyes stare into vailium colored skies

PRE-CHORUS:

I almost died but it felt great
Faking perfection wasn't worth the wait
I may be easy, easy to hate
But you're so fucking easy, easy to break

CHORUS:

I've got a sweet tooth and strawberry youth
You wanna be my licorice and misguided truth
And right now I'll show you how
I'm a beauty killer

PRE-CHORUS:

I almost died but it felt great
Faking perfection wasn't worth the wait

I may be easy, easy to hate
But you're so fucking easy, easy to break

Tell me your secrets and I'll tell you about lies
Everything is monotone in my dead eyes
If I can't be beautiful, I'd rather just die

CHORUS:

I'm a beauty killer
A sweet tooth and strawberry youth
You wanna be my licorice and misguided truth
And right now I'll show you how
I'm a beauty killer
Doll eyes stare into vailium colored skies(x4)
I'm a beauty killer (gorgeous killer, hot pink killer,
fierce killer)
I'm a beauty killer
(I'll fucking kill you)
