Ain't no bitch who can do it like me
Go F U C K yourself, baby
Ain't no bitch who can do it like me
The critics and the press agree

Ain't no bitch who can do it like me
J E F F to the R E E
Ain't no bitch who can do it like me
Uh huh, what? Yeah

There ain't no bitch can do it like me
There ain't no bitch

Slide my panties off in your Lamborghini
TMZ just saw my coochie like I was Britney
Be Flo Rida and spin me right round, round
But don't try to bite me like Chris Brown
Make my bottle pop like a Pussycat Doll
Smoked out Michael Phelps and won a gold medal

Ain't no bitch who can do it like me
Call me F A G, bitch please
Ain't no bitch who can do it like me
You can L I C K my pussy

Ain't no bitch who can do it like me
I'm the H O T S H I T
Ain't no bitch who can do it like me
Uh huh, what? Yeah

There ain't no bitch can do it like me
There ain't no bitch

Flashed my taint, oh, does it turn you on?
Gave Lil Wayne a skirt an some pom-poms
They all go Lady Gaga over my throat skills
Gave Zac Efron my poker face and left him with chills
And 3OH!3 warned me not to trust you hoes
Sucked off Kanye West, now I'm one of the bros

Ain't no bitch who can do it like me
I'm beautiful effortlessly

Ain't no bitch who can do it like me
I gotta Ph.D in faggotry

Ain't no bitch who can do it like me
I S U C K perfectly
Ain't no bitch who can do it like me
It's a crime to look so pre-pretty

Ain't no bitch who can do it like me
If you want my peaches shake my tree
Ain't no bitch who can do it like me
I L O V E violently

Ain't no bitch who can do it like me
I'm cuter than Hello Kitty
Ain't no bitch who can do it like me
J E F F to the R E E

J, J, J E F F to the R E E
J, J, J E F F to the R E E
J, J, J E F F to the R E E
J, J, J E F F to the R E E

J, J, J, ain't no bitch who can do it like me
J, J, J E F F to the R E E
J, J, J, ain't no bitch who can do it like me
J, J, J E F F to the R E E
