You can't stop...

My hair looks like cotton candy  
My heart is made of sequins  
Blow pops and meat cleavers  
Give me something sweet  
Give me something  
Give me something  
Give me something  
Sweet, sweet, sweet!

My skin looks like vanilla  
My mouth is made of sugar  
Syringes and cupcakes  
Give me something sweet  
I'm good enough to eat,  
Oh yeah!

You can't stop  
Staring at me  
You can't stop  
I'm good enough to eat  
You can't stop  
Sticky sweet  
You can't stop  
Oh, you can't stop  
Staring at me  
You can't stop  
I'm good enough to eat  
You can't stop  
Sticky sweet  
You can't stop  
Oh

My makeup looks like rainbow sherbet  
My braid feels like hard candy  
Gashes an sundaes  
Give me something sweet  
Give me something  
Give me something  
Give me something  
Sweet, sweet, sweet!

Lipstick lightning  
Bubblegum  
Heart like a snow cone  
Jawbreakers and Morphine  
Give me something sweet  
I'm good enough to eat  
Oh yeah!

You can't stop  
Staring at me  
You can't stop  
I'm good enough to eat  
You can't stop  
Sticky sweet  
You can't stop  
Oh, you can't stop  
Staring at me  
You can't stop  
I'm good enough to eat  
You can't stop  
Sticky sweet  
You can't stop  
Oh

Sprinkles everywhere  
Candy hearts like bruises  
31 flavors  
Which one are you choosing?  
Sprinkles everywhere  
Candy hearts like bruises  
31 flavors  
Which one are you choosin',  
Which one are you choosin',  
Which one are you choosin'?  
Sprinkles everywhere  
Candy hearts like bruises  
31 flavors  
Which one are you choosing?  
Sprinkles everywhere  
Candy hearts like bruises  
31 flavors  
Which one are you choosin'?  
Which one are you choosin'?
