[INTRO:]

Okay let the tranny mix it up
Miss Queen Cunt, Lady Pop Quiz and Diamond Girl
Give it to me fast (and hard)

You know this princess is hot
So you better watch as I swallow that cock
Lick it up and down cause you like it a lot and I'll take a
chainsaw to your fucking g-spot
And everytime I come through when you set up on the
scene
All you greedy mother fuckers want to see me get
mean

I beat haters in the face with big stiletto heels
You want to get close so you know how that feels

You want to fuck me (you want to fuck me)
I know you do (I know you do)
Cause when your girl is not around, you want me going
down on you (mmm I'm thirsty)
And I know you want it (I know you fucking want it)
Calling my phone (running up my minutes ho)
You're on your knees, begging me please, when she's
not at home (I'm coming over ho)

[CHORUS:]

Don't cha wish your girlfriend had a dick like me.
Don't cha wish your girlfriend had plastic surgery.
Don't cha, don't cha

Don't cha wish your girlfriend was tight like me.
Don't cha wish your girlfriend liked sodomy.
Don't cha, don't cha

Cheat on your girlfriend (every guy does)
Push her out of the car (run that bitch over)
Cause when you're in bed, while she's giving you head
you're screaming Jeffree star (oh Jeffree)
She says that she hates me (I hate her too)
I don't fucking care (oh you care)
You better leave her, beat her with a cleaver while I'm

standing there (haha bye bitch)

[CHORUS]

L.P.Q. in the house.

Oh Jeffree Star, you better shut your trap and listen up
Jeffree Jeffree Jeffree oh can't you see, what's with all
the negativity You're the queen of mean with millions
of fans

But you ain't gonna get my man (what bitch)

You ain't gonna steal my man (god shut up)

You ain't gonna fuck my man (yes I am)

I'm the C to the U to the N to the T.

Bitch if you're looking for a man he's in bed with me,
With hot pink hair and always wearing night make-up.
Babes calling non-stop begging me to hook up, most of
them have girlfriends but are keeping me secret
But just like heroin you can't fucking beat it

I don't need tits or a vagina to make him want me, I just
flash a little smile and let them see it from behind
After I'm done sucking on his blow pop, I lift up my
head and see he's gone into shock
No one can do the things I can do, niggas show me
their ass and my name is tattooed

And bitch kill yourself if you think I have an ego

Fuck get your condom and put it in my asshole

(*Jeffree moans*)
