I got my hair fixed, makeup done, I'm ready to go
Step in the club and you know I'm the show
Diamonds in my teeth are always a' glow
Blinded as I speak, mesmerized by my flow

[Pre chorus]
You can't say no...
So let's go...
Let's go

[Chorus]
Spit on the dance floor to know where you are
Slip to the beat 'cause you wanna go far
Know you love...
And I love.. that I'm Jeffree Star

Spit on the dance floor to know where you are
Slip to the beat drivin' in my pink car
Know you love...
And I love.. that I'm Jeffree Star

Cameras are flashin', everyone's askin' what I'm gonna
do tonight..
Who I'm gonna do tonight..

We have our hair cut, eyes shut we're already there
I don't know their names and I don't really care
'Cause I only suck dick and just to be fair,
Your not on the menu, you'll never compare

[Pre chorus]
You can't say no...
Oh, So let's go...
Let's go

[Chorus]
Spit on the dance floor to know where you are
Slip to the beat 'cause you wanna go far
Know you love...
And I love.. that I'm Jeffree Star

Spit on the dance floor to know where you are

Slip to the beat drivin' in my pink car
Know you love...

And I love.. that I'm Jeffree Star

(I'm a fucking star, I'm-I-I-I-I'm-I-I-I-I'm a star
I'm-I-I-I'm Jefree Star.
Hair-cut, diamonds.
I'm-I-I-I'm Jefree Star.
Eyeshadow, make-up done, I'm ready to go.)

[Chorus]
Spit on the dance floor to know where you are
Slip to the beat 'cause you wanna go far
Know you love...
And I love.. that I'm Jeffree Star

Spit on the dance floor to know where you are
Slip to the beat drivin' in my pink car
Know you love...
And I love.. that I'm Jeffree Star

Spit on the dance floor to know where you are
Slip to the beat 'cause you wanna go far
(Know you love, and I love)
Spit on the dance floor to know where you are
Slip to the beat 'cause you love Jefree Star
Love Jeffree Star, Love Jeffree Star
(Know you love, and I love)

Cameras are flashin', everyone's askin' what I'm gonna
do tonight..
Who I'm gonna do tonight..
What I'm gonna do tonight..
Ask Perez Hilton who I'm gonna do tonight..
