Hahaha
Don't get me wrong
I throw my hands up on the dance floor
But the way you work it got me b-beggin for more
So come in close
Let me turn you shiny dirty
We'll make it hot, sweatin
All through the night singin
Oh, oh, oh
I got you dancing on me
Oh, oh, oh
We got our hands up singin
Oh, oh, oh
But i want your body on me
Oh, oh, oh
So get your legs up
(yea, uh huh, thats right)
I want your legs up
L-l-le-le-legs up (x3)
So get your legs up!
Dont want your hands up (no oh oh oh)
I want your legs up!
L-l-le-le-legs up.
Dont want your drinks up (no oh oh oh)
I want your legs up!
Pounding shots, making sure that your a slammer
Cause the way i roll you can only nail me if we're
hammered
Bitch im the queen, on your knees, kiss my feet please
I like it kinky, sweatin all through the night, singin
Oh, oh, oh
I got you dancing on me
Oh, oh, oh
We got our hands up singin
Oh, oh, oh
But i want your body on me
Oh, oh, oh
So get your legs up
(yea, uh huh, thats right)
I want your legs up

L-I-le-le-legs up (x3)
So get your legs up!
Dont want your hands up (no oh oh oh)
I want your legs up!
L-I-le-le-legs up.
Dont want your drinks up (no oh oh oh)
I want your legs up!
Fast, fast, lets go
Legs in the air, aint taking it slow
Hot hot, dont stop
Bring your little friend and we'll do a little swap
Fast, fast, lets go
Legs in the air, aint taking it slow
Boom boom bang bang
Opps wait I forgot your name haha
Oh, oh, oh
I got you dancing on me
Oh, oh, oh
We got our hands up singin
Oh, oh, oh
But i want your body on me
Oh, oh, oh
Dont want your hands up
Dont want your drinks up
I want your legs up!
(Yea, uh huh, thats right)
I want your legs up!
L-I-le-le-legs up (x3)
So get your legs up!
Dont want your hands up (no oh oh oh)
I want your legs up!
L-I-le-le-legs up.
Dont want your drinks up (no oh oh oh)
I want your legs up!
