(I feel nothing)
Miss Boombox [x4]
(I feel nothing)
Miss Boombox [x7]

Look into my eyes, so vicious
Heels are high, so infections
Social sickness
Glitter and kisses

I will make you mine, malicious
Take you from behind, so vivid
The lower your fall, the higher your climb
Prepare the flash and let me die

[Chorus:]
Microphones and ice cream cones
Dripping down my collar bones
(Yum yum)
Taste a piece of my bubble gum
Everybody wants some
(Yum yum)

(I like this)

Read between the lines, you'll see it
Carving like a knife, you'll feel it
The lower your fall, the higher your climb
Intoxicating, let me fly
(Yum yum)

[Chorus]

(Yum yum) [x2]

Poster child, party girl
Miss boombox, make me swirl
(I feel nothing)
Poster child, party girl
Miss boombox, make me swirl
(I like this)
Poster child, party girl

Miss boombox, make me swirl
(Whu-whirl)
Poster child, party girl
Miss boombox, make me swirl
(Sw-sw-swirl)
(Swirl)

Miss Boombox [x4]
(Yum yum)

[Chorus] (x2)

(Wants some)
Dripping down my collar bones,
Everybody wants some
(Yum yum)

Miss Boombox (x4)
(Yum yum)
