Oh my fucking god

Oh my god

Oh my god

I was touched by Jesus at the S&M party
God made it rain a thousand shots of Bacardi
Me and mother mary kissing on Katy Perry
All the angels sing "Come and lick my body"

If you know you look good

Repeat after me

Oh my g-o-d I'm so sexy

The whole damn club wants to drug me

Oh my g-o-d I'm so sexy

The whole damn club (club) wants to fuck me

Oh-oh-oh-oh

Oh-oh my god

Oh-oh-oh-oh

Oh-oh my god

Oh-oh-oh-oh

Oh-oh my god

Oh-oh-oh-oh

Oh-oh my god

It feels like heaven when you're dripping down

I'm legendary give me my crown

Hi Miley Cyrus you're gagged and bound

Shut the fuck up don't make a sound

If you know you look good

Repeat after me

Oh my g-o-d I'm so sexy

The whole damn club wants to drug me

Oh my g-o-d I'm so sexy

The whole damn club (club) wants to fuck me

Oh my fucking god

Let me show you how to sit on that dick

America's next top model click click
I'm the ring leader girls follow my trends
Got Hannah Montana doing anal with my friends

Lick all my body
Like a jolly rancher
Get so wet, sea world coming at ya
(At ya, at ya)

Be my home depot now gimme some tools
Maybe you can scuba dive into my pool
You need a psycho bitch, like me
Mike Tyson bites so Rihanna looks like me
You need a pretty bitch, like me
Megan Fox loves french kissing me

If you know you look good
Repeat after me
Oh my g-o-d I'm so sexy
The whole damn club wants to drug me
Oh my g-o-d I'm so sexy
The whole damn club (club) wants to fuck me

Heh, wow.
