### "Party Crusher"

God's Paparazzi.  
And Mrs. Orange County.  
Jeffree Star.

20 dolla bill - hoe what the deal?  
50 dolla bill - hoe what the deal?  
100 dolla bill - hoe what the deal?  
This is how it feels...  
Bitch, get'em.

Girl you got some big tits (but that's about it, that's about it).  
You got some pretty lips (but that's about it, that's about it).  
You're dancin' on my dick (but that's about it, that's about it).  
But I like men, bitch! (but that's about it, that's about it).

From New York to LA (but that's about it, that's about it).  
We do this every day (but that's about it, that's about it).  
I'll fuck all of your friends (but that's about it, that's about it).  
In my Mercedes Benz (but that's about it, that's about it).

Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you suck it down.  
Pick it up now.  
Let me see you suck it down.  
Pick it up now.  
Let me see you suck it down.

Pick it up now.  
Let me see you suck it down.

I'm a party crusher (but that's about it, that's about it).  
A sick motherfucker (but that's about it, that's about it).  
Miss Trouble Maker (but that's about it, that's about it).  
Body/face breaker (but that's about it, that's about it).

From New York to LA (but that's about it, that's about it).  
We do this every day (but that's about it, that's about it).  
I'll fuck all of your friends (but that's about it, that's about it).  
In my Mercedes Benz (but that's about it, that's about it).

Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you drop it down.  
Pick it up now.  
Let me see you suck it down.  
Pick it up now.  
Let me see you suck it down.  
Pick it up now.  
Let me see you suck it down.  
Pick it up now.  
Let me see you suck it down.

We gon' party in this bitch.  
We gon' party in this bitch.  
P-Party in this bitch.  
We gon' party in this bitch.

From New York to LA.  
We do this every day.  
Every day, day, day, day.  
We do this every day.  
Every day, day, day, day.  
We do this every day.  
Every day, day, day, day.  
Do this every day.  
Every day, day, day, day...

From New York to LA (but that's about it, that's about it).  
We do this every day (but that's about it, that's about it).

I'll fuck all of your friends (but that's about it, that's about it).  
In my Mercedes Benz (but that's about it, that's about it).
