Now it's 2 AM  
And the party pulls up.  
Now we're moving out  
To the city we love to go.

Whoa Whoa Whoa

I feel I feel electrical  
The lights so bright.  
You're looking magical  
In the city tonight.

Whoa Whoa Whoa

Tell me now  
That I can see your eyes  
Eyes on me.  
Say my name J-E-F-F-R-double E.

Cuz Im the queen of the club scene  
And they love meeee  
Cuz I keep the bass turned up.  
It's beating on my heart streams  
And they all see that they love  
The queen of the club sceeeeeeene

And if you see me there  
When I walk on by,  
I will come to you  
when the time is right.

Whoa Whoa Whoa

And if I like the way you look  
When the beat kicks in,  
I will let you know  
as the DJ spins.

Whoa Whoa Whoa

Tell me now  
That I can see your eyes

Eyes on me.  
Say my name J-E-F-F-R-Double E

Cuz I'm the queen of the club scene  
And they love meeee  
Cuz i keep the bass turned up.  
It's beating on my heart streams  
And they all see that they love the way I move.

Cuz I'm the queen of the club scene  
And they love meeee  
Cuz i keep the bass turned up.  
It's beating on my heart streams  
And they all see that they love the way I move.

Now the club is hot  
And your colder than ice.  
If you want a shot,  
Better take it tonight.

Whoa Whoa Whoa

And if you see me there  
When I walk on by,  
I will come to you  
When the time is right.

Whoa Whoa Whoa

Cuz I'm the queen of the club scene  
And they love meeee  
Cuz I keep the bass turned up.  
It's beating on my heart streams  
And they all see that they love  
the queen of the club sceeeeeeene.

The queen of the club sceeeeeeene.
