Callin you a longtime night  
Face good bye  
Time is tryin hard to take you from back my side  
We are fading in the moment  
Love comes close  
We are fading in the moment yeah

Pre Chorus:  
But you love and won't go  
And all seem hopeless  
But you love and won't let go ooh

Chorus:  
Where do you owe me for the last time  
And never let me go  
Baby it's gonna be our last night, it's all I know  
As we're finding far away please your...  
Where do you owe me for the last time  
And don't let go

We are leaving all behind you and I  
Watching wishes turned in night  
And... skies

Pre Chorus:  
But you love and won't go  
And all seem hopeless  
But you love and won't let go ooh

Chorus:  
Where do you owe me for the last time  
And never let me go  
Baby it's gonna be our last night, it's all I know  
As we're finding far away please your...  
Where do you owe me for the last time  
And don't let go

This is staring me apart finding...  
This is staring me apart

[Chorus:]
