Oh, no
Ooh, baby
Oh, baby

All at once
I finally took a moment and I'm realizing that
You're not coming back
And it finally hit me all at once

All at once
I started counting teardrops and at least a million fell
My eyes began to swell
And all my dreams were shattered all at once

Ever since I met you
You're the only love I've known
And I can't forget you
Though I must face it all alone

All at once
I'm drifting on a lonely sea
Wishing you'd come back to me
And that's all that matters now

All at once
I'm drifting on a lonely sea
Holding on to memories
And it hurts me more than you know
So much more than it shows all at once

All at once
I looked around and found
That you were with another love in someone
else's arms
And all my dreams were shattered all at once

All at once
The smile that used to greet me
Brightened someone else's day, it took your
smile away
And left me with just memories all at once

Ever since I met you
You're the only love I've known
And I can't forget you
Though I must face it all alone

All at once
I'm drifting on a lonely sea
Wishing you'd come back to me
And that's all that matters now

All at once
I'm drifting on a lonely sea
Holding on to memories
And it hurts me more than you know
So much more than it shows all at once

Ooh, ooh, girl
I'm drifting on a lonely sea
Holding on to some memories
And it hurts me more than you know
So much more than it shows all at once

I'm holding on to memories
And it hurts me more than you know
So much more all at once
