You're a silhouette of splendor
I love to remember
Though it helps me through
These hours I spend away from you

People wonder how I do it..
Oh it ain't nothing to it
These gentle thoughts of you
Makes it all worth going through

You gave me a special kind of feeling
Makes it so easy and oh so pleasing

Concentrate on you ..
Concentrate on you, yeah

Ohh It takes separation
To bring appreciation
And I wanna thank you
For all the love too

The secret lies within ours minds
The love we share and the times that binds

Helps me concentrate on you ..
ahhh ha Concentrate on you yeah
Concentrate on you ..
ahhh ha Concentrate on you yeah oh yeah

Ad Lib short solo..

The secret lies within ours minds
The love we share and the times that binds

Helps me concentrate on you ..
ahhh yeah Concentrate on you yeah
Concentrate on you ..
ahhh yeah Concentrate on you yeah
That's all want to do, girl
Is Concentrate on you ..
ahhh yeah Concentrate on you yeah, yeah, yeah

Do you remember when I use to come by
And pick you up and take you out

We had a love call .. yes we did girl
And it went something like this

Do do do do do do .. do do do do do do do HA HA

And that was our love call .. and in the distance I heard
ya say

Do do do do do do .. do do do do do do do

And I'd say that's my sweet baby
That's my sweet baby, baby , yeah yea
And you know what

And it would always make me.. make me sit down.. and

Concentrate on you ad lip vamp..
