Another mornin', you are on my mind  
Takin' up my time through all the day  
I try control, every chance I see  
Always you with me, that's in my dreams

You give me fever, love, I can't explain  
Fire uncontained, what is this, girl?  
I try to fight, but I never win  
Seems I just give in to your embrace

But oh, you try so hard not to say  
Oh, all the things you do to me and girl, oh  
Oh, my love can't be concealed, girl, you know the deal  
Baby, stay with me tonight

At my apartment, you've come to the door  
Quarter after four a.m hello  
We start to kiss, ooh we start to neck  
You know what comes next and you love it, girl

But oh, what we have it feels so good  
Oh, and we both knew that it would and girl  
Oh, the feeling is so right, please come hold me tight  
Baby, stay with me tonight

'Cause you give me special joy  
Oh, make me feel just like a schoolboy, girl  
Oh, give me feelings of delight  
Please turn out the light

Baby, stay with me tonight, 'cause I love you  
You know I really do love you, girl  
It's been my innermost fantasy  
To share [Incomprehensible] to give my love to you  
through the night

You call me crazy, maybe that is true  
But what can I do? I love you, girl  
You got me movin', movin' left and right  
Deep within the night, come here, my dear

You give me fever, love I can't explain

Fire uncontained, what is this, girl?  
I try to fight, but I never win  
Seems I just give in to your embrace

But oh, oh I pray you never leave  
Oh, 'cause my heart would surely grieve so, girl  
Oh, and you know I would not lie, girl, you are my pride  
Baby, stay with me tonight

'Cause you give me special joy  
Oh, make me feel just like a schoolboy, girl, oh  
Oh, the feelin' is so right, please come hold me tight  
Baby, stay with me tonight  
Need you by my side, oh baby, stay with me tonight

Oh, baby stay with me tonight  
Oh baby, oh baby baby baby, yeah  
I want to run my fingers through you head  
[Incomprehensible]  
Stay with me tonight
