Hey, the borderlines  
Were closing in on the other side  
With her love on my mind

I was just a working man  
Working overtime in a foreign land  
Tryin' to make a deal but knowing  
Of thin paper walls

I met her in a small cafe  
We shared some time over Beaujolais  
Within a short span of time  
We fell in love

Hey, the borderlines  
Were closing in on the other side  
With her love on my mind

We shared our body love through the night  
Though we knew the end was in sight  
We never stopped to think  
Our love might not be

Borderlines  
Could keep her love from me  
Borderlines  
Could say what I can see

Borderlines  
Can tell me what can be  
Borderlines  
They will not control me, no

Borderlines  
Could keep her heart from me  
Borderlines  
Could say what I can see

Borderlines  
Can tell me what will be  
Borderlines  
They will not worry me, no

(They won't worry me, they won't worry me)

Hey, the borderlines  
(Borderlines)  
Were closing in on the other side  
With her love on my mind

So we devised a working plan  
A new disguise to fool any man  
'Cause that's the only way  
That we could be wed

And once we saw arrangements were made  
We knew that we could not then delay  
Authorities were hot on our trail  
As we got away

Borderlines  
Won't keep her love from me  
Borderlines  
Won't say what I can see

Borderlines  
Won't tell me what can be  
Borderlines  
They will not control me, no

Borderlines  
Won't keep her heart from me  
Borderlines  
Won't say what I can see

Borderlines  
Won't tell me what will be  
Borderlines  
They will not worry me, no

Borderlines  
Won't keep her love from me  
Borderlines  
Won't say what I can see, no

Borderlines  
Won't tell me what can be  
Borderlines  
They will not worry me, no  
(They won't worry me, they won't worry me)

Hey, the borderlines  
(Borderlines)  
Were closing in on the other side

With her love on my mind

Hey, the borderlines  
(Borderlines)  
Were closing in on the other side  
With her love on my mind  
(Oh whoa)

Let's rock, let's go  
Let's rock, let's go  
Let's rock, let's go  
Let's rock, let's go

Let's rock, let's go  
Let's rock, let's go  
Let's rock, let's go  
Let's rock, let's go

Borderlines  
(Let's rock, let's go)  
Borderlines  
(Let's rock, let's go)  
Borderlines  
(Let's rock, let's go)  
Borderlines  
(Let's rock)  
They will not control me, no  
(Let's go)

Borderlines  
(Let's rock)  
Won't keep her heart from me  
(Let's go)  
Borderlines  
(Let's rock)  
Won't say what I can see  
(Let's go)

Borderlines  
(Let's rock)  
Won't tell me what will be  
(Let's go)  
Borderlines  
(Let's rock)  
They will not worry me, no  
(Let's go)

Borderlines  
(Let's rock)  
Won't keep her love from me  
(Let's go)

Borderlines  
(Let's rock)  
Won't say what I can see  
(Let's go)

Borderlines  
(Let's rock)  
Won't tell me what can be  
(Let's go)  
Borderlines  
(Let's rock)  
They will not control me, no  
(Let's go)

Borderlines  
(Let's rock)  
Won't keep her love from me  
(Let's go)  
Borderlines  
(Let's rock)  
Won't say what I can see  
(Let's go)
