(chorus)

there will never be another love, like you baby  
there would never be another love, it's you  
lady

(verse)

i've been looking all my life, to find  
a girl i could call all mine  
someone who believes in me  
and knows that true love is free

(bridge)

i never thought i'd find  
love and piece of mind  
but you make my bitter, sweet  
seven days a week

(chorus)

there will never be another love, like you baby  
there would never be another love, it's you  
lady

(verse)

i knew when we first met  
that we would be lovers and friends  
because understanding is the key  
to a love that will always be

(bridge)

i never thought i'd find  
love and piece of mind  
but you make my bitter, sweet  
seven days a week

(chorus)

there will never be another love, like you baby  
there would never be another love, it's you  
lady

(instrumental break)

(ad-lib)
