Ooh oh oh oh

Turn down the lights, let the midnight magic flow  
Lay by my side, love is all we need to know  
Believe in this feeling shining in the dark

Chorus:

My Sweet baby we belong to love  
Sharing every beat of life  
You and me belong to love  
Nothing ever felt so right, right

Don't be afraid, when emotion takes control  
This night is ours and we'll never let it go  
Sensations start wakin', no time for hesitation

Chorus:

Baby we belong to love  
Sharing every beat of life  
You and me belong to love  
Nothing ever felt so right, wo oh oh

Whenever you need someone who cares  
Don't worry baby I'll be there (I'll will be there)  
This is the start of something good  
Tonight in love

(Instrumental break)

Each moment (Each moment) love's flow is high  
We're flying high  
Sweet passion (sweet passion) keeps shining on  
Side by side  
Let me keep you warm till midnight meets the dawn  
cause baby we belong to love  
Nothing else is real when heaven makes you feel so, so  
good hey now

Ooh

Let me keep you warm (baby, baby, baby, baby) till  
midnight meets the dawn cause baby we belong to love  
Baby, baby, baby we belong to love  
(Nothing else is real when heaven makes you feel so,

so good hey now)  
Baby, baby, baby, heaven makes you feel so doggone  
good

Let me keep you warm (Yeah) till midnight meets the  
dawn cause baby we belong to love  
Nothing else is real when heaven makes you feel so, so  
good, so good, heaven makes you feel so doggone  
good

Let me keep you warm till midnight meets the dawn  
cause baby we belong to love  
Ooh oh We belong to love yes we do now  
Nothing else is real when heaven makes you feel so  
good

{Fade out}
