I have never been so much
In love, before
What a difference
A true love made in my life
So nice, so right
Lovin' you gave me something new
That I've never felt
Never dreamed of
Something's changed
Though it's not the
Feeling I had before
Oh, it's much much more

Love
I never knew that a touch
Could mean, so much
What a difference
And when we walk hand in hand,
I feel, so real
Lovers come
And then lovers go
That's what folks say
Don't they know
They're not there
When you love me
Hold me and say you care
And what we have is much more than they could see
(repeat last line 9x)
