Permanece detr?s  
No tan cerca de m?  
No sabes d?nde he estado

No te sientes a mi lado  
Permanece tan lejos de m?  
Como yo quiero estar de ti

Este sitio es tan fr?o  
No hables por m?  
No quiero hablar  
Es perder mi tiempo  
No me hagas re?  
No me hagas llorar  
No me preguntes mi nombre  
No me mires a los ojos  
Amigo m?o

Translation:  
My Friend

You remain behind  
Not so close to me  
You don't know where I've been

You don't feel by my side  
You remain so far from me  
As I want to be from you

This place is so cold  
Don't speak for me  
I don't want to speak  
It wastes my time  
Don't make me laugh  
Don't make me cry  
Don't ask my name  
Don't look into my eyes  
My friend
