Honey, I've been really struggling  
To think of you and I being friends  
I blow hot and cold, yeah, I'm like a yo-yo  
So I don't think I should see you again

Careless love and acting tough, oh  
It wasn't my style I had enough  
I don't think that we can really be friends

And honey, I've been really struggling  
To think of you and I anonymous  
You're off to mourning so  
The love you gave ebb and flows  
So I don't think I should see you again

Careless love, acting tough  
For it wasn't my style, I had enough  
Oh, I don't think that we can really be friends  
But I'll try again

Oh, the love I feel for you it's real  
Oh, the love I feel for you it is real

Honey, I've been really struggling  
To see this thing through to the end

Careless love, acting tough  
For it wasn't my style, I had enough  
Oh, I don't think that we can really be friends  
But I'll try again
