Let Me Go Home

Hurry up, baby, 'cause we're going somewhere tonight
One glass of wine and you're mine and you know i just
might...

You know i just might

You know i just might

Well the room goes boom to the sound of temptations
and more

Twisting and turning that girl's looking good on the
floor

Good on the floor

Good on the floor

Well the four walls they collide

Until the blue-eyed girl decides to let me go home

Let me go home

Host plays a ghost in my house, gets a fist in the eye

Vinyl is crushed in the rush for the liquor supply

The liquor supply

The liquor supply

Supremes in our dreams

Do we quit bein' obscene on the stairs

Daylight appears through the curtains and nobody
cares

Nobody cares

Nobody cares

Well the four walls they collide

Until the blue-eyed girl decides to let me go home

Let me go home

Daylight appears through the curtains and nobody
cares

Supremes in our dreams

Do we quit bein' obscene on the stairs
