For the Lunar sea see the river moon  
And you've got it  
Match the finest words to the greatest tune  
And you've bought it

See me cross in style  
Walk the longest mile in a minute  
Where do drifters go?  
Wonder if they know there's no limit

At the rainbow's end  
Find a perfect friend, say you're sorry  
Make me dream at night  
Break my heart on sight, don't you worry

Swept the sounds of love from the skies above  
And I knew it  
Swim the seas of blue just to drown in you  
And I blew it

You hear it  
The shiver in spine don't come near it  
I love it  
You soar and you cry rise above it

Got my lunar sea for your river moon  
If you let it  
Put my finest words to your greatest tune  
Won't forget it

You hear it  
The shiver in spine don't come near it  
I love it  
You soar and you cry rise above it

Fly by lunar sea lullaby  
Fly by lunar sea lullaby  
(Fly by lunar sea lullaby)

Fly by lunar sea lullaby  
(Lunar sea lullaby)  
Lunar sea lullaby

Fly by lunar sea lullaby  
(Lunar sea lullaby)
