Return To Send Her

(Let's Get Out Of This Country EP - 2006)

Don't disturb my bed is what I should have said
When you kissed me my head started to sway
I took your picture
You bought me some literature
Honey you make my day

I don't want to take advantage or do you any damage
I'm not sure I can manage to stay away

We have been tender
Don't return to send her
The love that was coming your way
I will defend you my friend
I won't quietly walk away

I don't want to take advantage or do you any damage
I'm not sure I can manage to stay away

Don't be downhearted by this thing we started
I guess that's what I'm trying to say
I will defend you my friend
I won't quietly walk away
