He's got the sun on his back
Where there are freckles I would die for
Is he a family man?
If I had the chance I would show him all I am

I like the sound of his voice
I did my very best to impress him
Always my first choice
And I'm not ashamed to admit I've been uncool
I've looked a fool

Do you feel lucky tonight (just go out in the night)
Do you feel lucky tonight (just go out in the night)
And you can wear a badge to show your delight

He's got the sun on his back (just go out it's alright)
He's got the sun on his back (just go out it's alright)
And I will wear a badge to show my delight
And I will wear a badge to show my delight
And I will wear a badge to show my delight
