If you were a season, you would be in bloom
I wish I had good reason to see you soon
No need to convince me that you were a catch
I bought my ticket and so at last

Who was it that said that love conquers all?
Oh he was a fool cause it doesn't add up
Should I believe you told a lie?
On the way to my heart and on the way back

Are my eyes the coldest blue?
You said once this was true
If it is I don't know what I'll do
Cause I'm stuck with them
And they're stuck on you

Was I quite bad that nothing could never challenged
anyone
Or was I a lazy lazy snake
Do you want me to be a gentle diplomat
Oh you can beg and you can plead

Are my eyes the coldest blue?
You said once this was true
If it is I don't know what I'll do
Cause I'm stuck with them
And they're stuck on you

Are my eyes the coldest blue?
You said once this was true
If it is I don't know what I'll do

Cause I'm stuck with them
And you're stuck on you
Cause I'm stuck with them
And they're stuck on you

I'm stuck with him
And they're stuck on you
I'm stuck with them
And they're stuck on you
