I've got a picture of you I do
Hanging on my wall
But I don't want to see it
I'd rather see it fall
I've got a picture of you I do
Right above my head
But I don't want to see it
'cause you'd rather see me dead
You said that I don't care
But if I don't care
Why do I feel so bad
I made a few mistakes

You made me feel so bad
It had to be that way
It had to be that way
I think of you I do
But I'm not gonna crawl
I'd rather sit here wondering
Than to give you a call
I think of you I do
But I'm not gonna cry
I'd rather sit here wondering
Than to give you my time
