She was the best thing that I'd ever seen  
Her long dark hair was calling out to me  
Her eyes were blue  
Just like the sea  
I should have known she'd never like me  
Everybody told me stay away from her  
That girl is trouble you'll get what you deserve  
I didn't listen her eyes were just too sweet  
I learned my lesson as she made a fool of me  
I must be stupid 'cause I'm the one who cried

I must be stupid cause I fell for a lie  
But now I know the devil's in that girl  
I must be stupid 'cause I'm the one who fell  
Fell in love  
Sometimes I still see her out at night  
Every time I see her she's with a different guy  
It felt so right  
How could it be wrong  
She said she loved me  
Then she was gone
