I peer through windows
Watch life go by
Dream of tomorrow
And wonder why

The past is holding me
Keeping life at bay
I wander lost in yesterday
Wanting to fly
But scared to try

But if someone like you
Found someone like me
Then suddenly
Nothing would ever be the same

My heart would take wing
And I'd feel so alive
If someone like you found me

So many secrets
I've long to share
All I have needed
Is someone there

To help me see a world
I've never seen before
A love to open every door
To set me free so I can soar

If someone like you
Found someone like me
Then suddenly
Nothing would ever be the same

There'd be a new way to live
A new life to love
If someone like you found me

Oh, if someone like you
Found someone like me
Then suddenly

Nothing would ever be the same

My heart would take wing
And I'd feel so alive
If someone like you, loved me
Loved me, loved me
