I saw you sittin' there  
I was tryin' not to stare  
I wasn't sure if it was you  
I didn't know just what to do

[Chorus:]  
Are you drinkin' with me Jesus  
I can't see you very clear  
Are you drinkin' with me Jesus  
Would you buy a friend a beer

As I nestled on my barstool  
I felt your warmness within  
I looked down at my pants  
That wasn't warmness  
I wet myself again

[Chorus]

Does your head pound, Jesus  
As hung over you do rise  
How does paradise look, Jesus  
Through holy bloodshot eyes

Should we take a cab home Jesus  
Man, we can hoof it from here  
I know you can walk on the water  
But can you walk on this much beer

Are you drinkin' with me Jesus  
I can't see you very clear
