I knew that when I saw her
That my life would soon move over from the fast lane
Gone would be the days of all my drinkin' and my
carryin' on
But when I settled down
The party king uncrowned
This stubborn memory hadn't faded
Too many dumb mistakes
And all the grief it makes
Left nothin' else to be debated

And if you say that you understand then you're lyin'
But if you figure that I'm alright now I can't deny it

Baby's comin' back
Baby's comin' back
So I'm on my best behavior
I can't take it anymore
I just woke up on the floor today, yeah yeah
I've long run out of my last chances but she's on her
way

If I had a dollar
For every single time I fought her
I'd buy a handgun
(I'd buy a handgun!)
But that couldn't shoot away
The bullseye that she made on my heart

And if I sound like a beaten man well I guess so
But on her way is the sweetest prize and I can't let go

Baby's comin' back
Baby's comin' back
So I'm on my best behavior
I can't take it anymore
I just woke up on the floor today, yeah yeah
I've long run out of my last chances but she's on her
way

What I told her on the telephone was that I'd been so

bad
I wouldn't blame her if she mowed down these wild
oats I'd sown
But when she said she'd give me one more chance
I said knock three times when you arrive

Baby's comin' back
Baby's comin' back
So I'm on my best behavior
I can't take it anymore
I just woke up on the floor today, yeah yeah

Baby's comin' back, my darlin,
Baby's comin' back, this evenin'
I've long run out of my last chances but she's on her
way
