Well since my baby left me  
I found a new place to dwell  
Down south of Market Street in Homeless Hotel  
It feels so lonely baby  
It feels so lonely baby  
It feels so lonely I could die  
The yuppies they all hate me  
The cops all dress in black  
They dragged me out of Golden Gate park  
Said, "you ain't coming back"

It feels so lonely baby  
It feels so lonely baby  
It feels so lonely I could die  
Spare change for Elvis?  
I tell them that I'm Elvis  
They all say that I'm nuts  
And one day they dragged me away  
To do the Jailhouse Rock  
It feels so lonely baby  
It feels so lonely baby  
It feels so lonely I could die
