Ever since I was a twinkle in my father's pants  
They told me I could have it all and more when given  
chance

"We'll get you anything that you want"

A Ferrari on my 16th birthday  
"We'll get you anything you need"  
But what I need from you is so much more

All I wanna be is wanted  
All I wanna be is wanted by you  
All I wanna be is wanted  
All I want is everything

I think I'd like to play guitar and be a Beatle and be so  
swell  
And every show I would just dedicate this song to you  
And as I envy all my fans

While I bitch about the price of fame  
To my French maid Lou Ann  
She looks attentive but she don't understand

All I wanna be is wanted  
All I wanna be is wanted by you  
All I wanna be is wanted  
All I want is everything

All I wanna be is wanted

All I want is everything  
All I wanna be is wanted by you  
All I wanna be is wanted  
All I want is everything

All I want is everything  
All I want is everything  
All I want is everything

All I want is everything  
All I want is everything  
All I want is everything

All I want is everything

All I want is everything

All I want is everything

All I want is everything
