It's time to move out of the darkness  
Use what you feel inside  
Your faith alone will guide you  
Feel the turning tide

It's in your heart  
It's in your soul  
Don't be scared, keep believin'  
How know you know deep  
Inside that your time has come

Once in every lifetime  
If you do believe  
Man can move a mountain,  
Change the course of history  
How far we've come, so far...  
From home

Trust in your path, you've been chosen  
Become your destiny  
Lead and they will follow you  
Your truth will set you free

It's in your heart  
It's in your soul  
Don't be scared, keep believin'  
How know you know deep  
Inside that your time has come

Once in every lifetime  
If you do believe  
Man can move a mountain,  
Change the course of history  
How far we've come, so far...  
From home

Once in every lifetime  
If you do believe  
Man can move a mountain,  
Change the course of history  
How far we've come, so far...
