Move to the left
Move to the right
Up, down, round now
Hands to the side
Shake it to the left
Shake it to the right
Let me see you move girl
Dance all night
Clock all the men they
Stop & stare
Watch you move your body
Girl you dance on air
Do what you want, yeah
My style is flash
If you don't like it you can
Kiss my ass
That's right
Get ready
Get ready
Aciid!

Jump to the left
Jump to the right
Up, down, round now
Head to the side
Circle to the left
Circle to the right
Lose your inhibitions girl,
Dance all night
Dance like a pro
Like a millionaire
Rich in your body 'cuz
You dare to dare
We're all unique, yeah
My style if flash
If you don't like it you can
Kiss my ass
That's right
Get ready
A get ready
Aciid!
