Come on closer
I wanna show you
What I'd like to do
You sit back now
Just relax now
I'll take care of you

Hot temptations
Sweet sensations
Infiltrating through
Sweet sensations
Hot temptations
Coming over you

Gonna take it slow babe
Do it my way
Keep your eyes on me
Your reaction
To my action
Is what I want to see

Rhythmic motion
Raw emotion
Infiltrating through
Sweet sensations
Hot temptations
Coming over you

And now you're satisfied
A twinkle in your eye
Go to sleep for ten

And anticipating
I will be waiting
For you to wake again

Hot temptations
Sweet sensations
Infiltrating through
Sweet sensations
Hot temptations
Coming over you

(When you wake up we'll
Do it all again)
(When you wake up)
(When you wake up we'll
Do it all again)
(When you wake up)

Hour after hour
Of sweet pleasure
After this I guarantee
You'll never wanna leave
Shut your eyes and think about
What I'm about to do
Sit back relax I'll take my time
This lovin's all for you
