Save me save me save me wooh

I've gotta stop my mind  
Working overtime  
It's driving me insane  
It will not let me live  
Always so negative  
It's become my enemy

Save me ah ah save me ah ah  
Save me ah wooh  
Save me ah ah save me ah ah  
Save me ah wooh

Why would I think such things  
Crazy thoughts have quick wings  
Gaining momentum fast  
One minute I am fine  
The next I've lost my mind  
To a fake fantasy

And none of these  
Thoughts are real  
So why is it that I feel  
So cut up and so bad  
I need to take control  
Coz my mind is on a roll  
And it isn't listening to me

Save me ah ah save me ah ah

Save me ah wooh  
(thinking and thinking)  
Save me ah ah save me ah ah  
Save me ah wooh  
(thinking and thinking)

Mirror mirror on the wall  
Who's the dumbest of them all  
Insecurities keep growing  
Wasted energies are flowing  
Anger, pain and sadness beckon

Panic sets in in a second  
Be aware it's just your mind  
And you can stop it anytime

Save me ah ah save me ah ah  
Save me ah wooh  
(thinking and thinking)  
Save me ah ah save me ah ah  
Save me ah wooh  
(thinking and thinking)

Ok so here we go  
If it works I'll let you know  
One two three I say stop
