"Stay Now"

Daylight comes, daylight comes
And you've gotta go
Breaks my heart, breaks my heart
To have to watch you go
Wish I knew, wish I knew
When you'll be back again
However long, it's just too long
Until we meet again

Stay now, stay now
Just a little more
Coz this love, this love
Is what living's for
Stay now

Hide in bed, sheets overhead
Blocking out the sun

Feel like we are marooned at sea
Away from everyone
And I, I hate to say goodbye
I, want you to touch me one more time

Stay now, stay now
Just a little more
Coz this love, this love
Is what living's for
Stay now, stay now
Just a little more
Coz this love, this love
Is what living's for
Stay now
Stay now
Stay now
