Frantic rehearsals
Opening night
Strike up the band, bring up the lights
A little broadway magic, tonight

Broadway magic
Finger snappin
Broadway magic
Toe tappin
Broadway magic

Singers and dancers steppin in time
Music you hum, lyrics that rhyme
A little broadway magic tonight

Broadway magic
Finger snappin
Broadway magic
Toe tappin
Broadway magic
Thigh slappin
Broadway magic
Hand clappin
Broadway magic

Show stopin numbers
This could be it
Add it all up, you have a hit
A little broadway magic
Nothin' like
Broadway magic
Bring on the
Broadway magic tonight

Broadway magic
Finger snappin
Broadway magic
Toe tappin
Broadway magic tonight
