We've just been playin'
Foolin around
While everybody else is out there
Coverin' ground
We've gotta take a whole new tact
To get back on the track

And it's time we get started
Gettin' down to business
Time we get started
Gettin' down to business

They're all sayin' (ooh ooh ooh)
We don't have a chance (ooh ooh ooh)
We don't wanna let 'em
Write us off in advance
There's only one thing we can do (one thing)
To make our dreams come true

And it's time we get started
Gettin' down to business
Time we get started
Gettin' down to business

And it's time we get started
Gettin' down to business
Time we get started
Gettin' down to business

They're all sayin' (ooh ooh ooh)
We don't have a chance (ooh ooh ooh)
We don't wanna let 'em
Write us off in advance
There's only one thing we can do (one thing)
To make our dreams come true

And it's time we get started
Gettin' down to business
Time we get started
Gettin' down to business

And it's time we get started
Gettin' down to business
Time we get started
Gettin' down to business
