Hey look it's Jem
Hollywood Jem
Totally awesome, stylish and hip
Stopping traffic on Sunset Strip
Hey look it's Jem
Hollywood Jem
Doing the talk shows
Posing for films
Going to parties in Beverly Hills
There she is at the Boulevard
There she is at Rodeo Drive
There she is out in Malibu
Look alive, look alive, look alive

Hey look it's Jem
Hollywood Jem
Dressing the latest down to her toes
Making impressions where ever she goes
There she is in a limousine
There she is at a big premiere
Hey look it's Jem
Hollywood Jem
Hollywood Jem
Hollywood Jem
