(Like a dream)
I'll appear to you
(Like a dream)
That is comin true
(like a dream)
I will lead you to a place
you've never seen before

(Like a dream)
Where you're far from care
(Like a dream)
Music everywhere
(Like a dream)
Let me take you there
And show you new worlds to explore

(Like a dream)
I'll appear to you
(Like a dream)
That is comin true
(like a dream)
I will lead you to a place
you've never seen before

(Like a dream)
Where you're far from care
(Like a dream)
Music everywhere
(Like a dream)
Let me take you there
And show you new worlds to explore

Follow the sound of my voice
I'll give you reason to rejoice

(Like a dream)
Baby come with me
(Like a dream)
And life will be
(Like a dream)
Mmmm

Like a dream
