There's music in the air
News is in the making
Music in the air
Something big is breaking

Wow, look around at the sight and the sound
Did it take you by surprise?
That you can't believe your eyes
Whoa

Well, this is only the beginning
Only the Beginning

Now, now's the time when our stars don't climb
Watch us try for the prize
We're already on the rise
Oh

Well, this is only the beginning
Only the Beginning
Only the Beginning
Only the Beginning
Only the Beginning

Wow, look around at the sight and the sound
Did it take you by surprise?
That you can't believe your eyes
Whoa

Well, this is only the beginning
Only the Beginning

Now, now's the time when our stars don't climb
Watch us try for the prize
We're already on the rise
Oh

Well, this is only the beginning
Only the Beginning
Only the Beginning
Only the Beginning
Only the Beginning

Only the Beginning
