Don't like the way I act
Girl you better face the fact
You can wait a long while I'm not about to change my
style
This is me how I like to be take it or leave
I am free how I like to be take it or leave it
What you get is what you see
You better believe it
Take it or leave it

You think I'm a big disgrace (who who)
Why don't you get of my case? (who who)
You say I'm the hurting kind
Girl you otta keep in mind
This is me how I like to be
Take it or leave
What you get is what you see
You better believe it
Take it or leave
Baby
