She said, "You know that you had me",  
She said, "You know that you had me at goodbye,  
I'm such a sucker for bad seeds,  
I love a man who will take me for a ride,Let's go",

He always took her out on Sundays  
She never quite made the cut to be a Saturday Girl  
He drove her way outside the city  
Tryin' to head off the collision of his two worlds

She said, "Yeah, why don't we get in the car and go,  
Pretend we're headed to Mexico  
It'll be just like old times, don't look at me like it's a  
crime,  
Baby, I just wanna go with you on a Sunday Drive",.

Her daddy was a Baptist preacher  
He brought the car home late every Sunday night  
Her mama opened up his desk drawer  
He kept his secrets where he kept his 45

So Mama said, "I got your number,"  
As Daddy backed against the wall with his hands up  
high  
She said, "Now lay down in the back seat,  
I'm gonna take you on one last Sunday Drive",

She said, "Yeah, we're gonna get in the car and go,  
Pretend we're headed to Mexico,  
It'll be just like old times, don't look at me like it's a  
crime,  
Baby, I am gonna take you on a Sunday Drive",.

Her Mama left her with the gun  
She said, "Don't ever let anyone  
Do you wrong",..

She said, "You know that you had me",  
She said, "You know that you had me at goodbye,  
Now, go on, lay down in the back seat  
I'm gonna take you on one last Sunday Drive,.

Yeah, we're gonna get in the car and go  
And then I'm heading to Mexico  
On a Sunday Drive",
