Some people need fortune  
To fill their emptiness  
Some people need diamond ring  
To shine above the rest

Some people need power  
And fame across the world  
Some people just play the game  
To feel like they belong

Some people drive fancy car  
To believe they have it all  
But I don't need none of that  
I don't need none of that  
I just need your sweet, sweet love !

All I need is your loving... All I need is your love  
All I need is your love, All I need is your love  
All I need is your loving... All I need is your love  
All I need is your love,  
Your sweet, sweet love !

Some people need money  
To show their happiness  
Some people will hide their pain  
Showing off materialness

Some people to feel complete  
Wanna be like Donald Trump  
But I don't need none of that  
I don't need none of that  
I just need your sweet, sweet love !

All I need is your loving... All I need is your love  
All I need is your love, All I need is your love  
All I need is your loving... All I need is your love

All I need is your love,  
Your sweet, sweet love !

It doesn't get any better than this baby  
I couldn't ask for much more, no, oh  
Just need your kiss and your body's warmth  
To know that,  
That I have it all !

All I need is your loving... All I need is your love  
All I need is your love, All I need is your love  
All I need is your loving... All I need is your love  
All I need is your love,  
Your sweet, sweet love !
