De la la na la na la
De la la na la na la

I thought I saw you
Walking down the streets
With someone telling you
What to do

But don't listen
Just don't listen
Cuase all ya gotta do is

Follow your dreams
Don't listen to what they say
Follow your dreams
And just fly away

Into your dreams
I think you followed them
I can tell it in my heart

But don't listen
Just don't listen
Casue all ya gotta do is

Follow your dreams
Don't listen to what they say
Follow your dreams
And just fly away

Follow your dreams
Don't listen to what they say
Follow your dreams
And just fly away

Look into your dreams
Look into your heart
What do you do

Follow your heart
Follow your dreams

Listen to what they say
Yeah yeah yeah yeah yeah
Follow your dreams
